Applied Physiology Richard Utt, an electronic expert by profession, was a very sick man when he first met Sheldon Deal. Given up on by the medical profession, he saw Sheldon Deal (Tucson) sometimes up to three times a day for three years. Time enough to ask many questions and find out all he could about this fascinating science of kinesiology.

Applied Physiology - Ease of Life

Richard Utt, L.Ac., founder of Applied Physiology, has made many timeless contributions to the field of Energy Kinesiology. Amongst the most profound is the concept of formatting. The language of the body is electromagnetic in nature. Energy Kinesiology accesses this language through acupuncture points and handmodes.

AP & The Brain Workshop

Richard Utt, L.Ac., founder of Applied Physiology, referred to the 7 Chi Keys as the Crown Jewel of Applied Physiology. "The Keys" is a method of balancing the 7 major chakras using the acupuncture system.
