Rover V7.1 SP2 includes the following changes: · Tracer VV550/551 Image 1.5.6 was accidentally released in Rover V7.1 SP1. The released image was supposed to be 1.5.7. Do not use image 1.5.6 because it will ignore all communicated values and will revert back to use local values. Any Tracer VV550 controllers that have been upgraded to 1.5.6 need to be upgraded to 1.5.7, which is included in SP2.

Featuring recipes drawn from familiar classic dishes and new favorites, Laura Lea's new book, *Simply Laura Lea*, offers delicious home-cooked food without sacrificing healthy eating.

The only guide written exclusively for this specialized market, this title provides the most up-to-date marketing resource information available to beginning and advanced writers, freelancers, editors, publishers, publicists, and all others interested in, or involved with, writing.

He's a down-on-his-luck janitor with aspirations of writing the great American trash novel. She's the spoiled, sharp-tongued boss's daughter, always looking for a creative way to spice up her boring life. Normally, these two would never meet, but a higher power has different plans for both of them. The major motion picture from 20th Century Fox starring Ewan McGregor, Cameron Diaz and Holly Hunter hits the box office in October.

From beloved and bestselling author Lauren Myracle comes the emotional conclusion to the *Wishing Day* trilogy, perfect for fans of Kate DiCamillo and Ingrid Law. Now that her sisters Natasha and Darya have had their turn, Ava Blok finally gets her *Wishing Day*. But after seeing the unintended consequences of the wishes her sisters made, she's not sure what to wish for. The only thing she's certain of is that it's her job to set things right. Hopeful that she can put her broken family back together, and eager to prove her pessimistic older sisters wrong, Ava realizes that fixing the future means changing the past. Will the journey her wishes take her on end up costing her everything?

The definitive guide to career options for students who want to learn more about their future career prospects. With 500 different careers, from catering and construction to nursing and engineering, *Careers 2013* provides detailed facts and statistics about each jobs including the qualifications required and future prospects.

Hock the platinum. Take down the vacation photos. Cancel the joint checking account. There's no question . . . *Divorce Sucks*. And perhaps no one knows that better than author Mary Jo Eustace, whose ex-husband Dean McDermott married Tori Spelling a mere thirty days after their divorce was finalized. One part tell-

all and one part guide to get readers on their feet after a bitter breakup, this hilarious addition to the bestselling Sucks series tells everything readers don't want to know about divorce - from what a phone call with a lawyer will cost; to how to handle your newer, younger replacement; to what Hollywood divorcees are actually thinking when they watch their ex walk the red carpet with a millionairess. Sometimes horrifying, sometimes gratifying, and never merciful, this book will give readers an inside look at one of today's most public divorces while reminding them - hey, it could always be worse.
