Communication in agriculture is not only to inform and create awareness among the farmers but also to implement new ideas that change the mode of farming. Village extension workers (VEWs) inform the farmers about the new technologies, but they are not keeping pace with the advancement of technical know-how.

## Role of Communication in Rural Development

The Communication for Rural Development Guidelines for Planning and Project Formulation adhere to the approach, principles and overall framework adopted by FAO and based on the five UN Common Country Programming Principles, as described in the Guide to the Project Cycle (FAO, 2012b) 2. These guidelines are meant

## COMMUNICATION FOR RURAL DEVELOPMENT - Food and Agriculture ...

Agricultural communication is a field that focuses on communication about agriculture-related information among agricultural stakeholders and between agricultural and non-agricultural stakeholders. Agriculture is broadly defined in this discipline to include not only farming, but also food, fiber, animals, rural issues, and natural resources. Agricultural communication is done formally and informally by agricultural extension and is considered related to science communication. However, it has ev

The common agricultural policy (CAP) supports the vibrancy and economic viability of rural communities through rural development measures (the so-called second pillar). The rural development measures reinforce the market measures and income supports of the CAP with strategies and funding to strengthen the EU's agri-food and forestry sectors, environmental sustainability, and the wellbeing of rural areas in general.

Rural development | European Commission

**ABSTRACT:** Development communication was introduced as an integral part of rural development in Africa in the 1950s and 1960s to promote and facilitate the participation of the rural poor in the sharing of the benefits of development as well as the responsibility for development decision making.

## APPLICATION OF DEVELOPMENT COMMUNICATION IN AFRICA'S RURAL ...

In the case of non-agricultural rural development interests, a communication for rural development policy would aim to promote diffusion of information about non-agricultural micro-enterprise development, small business planning, nutrition, health and generally serve to provide useful, other-than-agriculture information.
