A newly revised edition of an American classic, Sam Shepard's Pulitzer Prize-winning *Buried Child* is as fierce and unforgettable as it was when it was first produced in 1978. A scene of madness greets Vince and his girlfriend as they arrive at the squalid farmhouse of Vince's hard-drinking grandparents, who seem to have no idea who he is. Nor does his father, Tilden, a hulking former All-American footballer, or his uncle, who has lost one of his legs to a chain saw. Only the memory of an unwanted child, buried in an undisclosed location, can hope to deliver this family from its sin.

Brilliant, prolific, uniquely American, Pulitzer prizewinning playwright Sam Separd is a major voice in contemporary theatre. And here are seven of his very best. "One of the most original, prolific and gifted dramatists at work today."—*The New Yorker* "The greatest American playwright of his generation...the most inventive in language and revolutionary in craft, [he] is the writer whose work most accurately maps the interior and exterior landscapes of his society."—*New York Magazine* "If plays were put in time capsules, future generations would get a sharp-toothed profile of life in the U.S. in the past decade and a half from the works of Sam

Shepard."—Time "Sam Shepard is the most exciting presence in the movie world and one of the most gifted writers ever to work on the American stage."—Marsha Norman, Pulitzer prizewinning author of 'Night, Mother. "One of our best and most challenging playwrights...his plays are a form of exorcism: magical, sometimes surreal rituals that grapple with the demonic forces in the American landscape."—Newsweek "His plays are stunning in thier originality, defiant and inscrutable."—Esquire "Sam Shepard is phenomenal..the best practicing American playwright."—The New Republic

Set within the netherworld of thoroughbred racing, this hair-raisingly funny new play by the Pulitzer Prize-winning author of True West explores the classical themes of memory, loyalty, and restitution. Simpatico launches readers into regions where high society meets the low life, and where, as one of the main characters observes, "someone is cutting someone else's throat."

Motel Chronicles reveals the fast-moving and sometimes surprising world of the man behind the plays that have made Sam Shepard a living legend in the theater. Shepard chronicles his own life birth in Illinois, childhood memories of Guam, Pasadena and rural Southern California, adventures as ranch hand, waiter, rock musician,

". . . essential reading. A scrapbook of short stories, autobiographical reveries, poetry and photographs, *Motel Chronicles* is full of verbal delights, as well as insights into its author's entire canon. Whether Mr. Shepard is reminiscing about his parents or daydreaming about cherished movies and cars of his youth, he speaks in pungent and ethereal language that remakes our West. Read in conjunction with the plays, *Motel Chronicles* also helps demystify the origins of Mr. Shepard's psychological obsessions and desolate frontier iconography."—Frank Rich, *New York Times* "If plays were put in time capsules, future generations would get a sharp-toothed profile of life in the U.S. in the past decade and half from the works of Sam Shepard."—*Time* "Sam Shepard is a shaman—a New World shaman. These three plays by Pulitzer Prize winner Sam Shepard are bold, explosive, and ultimately redemptive dramas propelled by family secrets and illuminated by a searching intelligence. In *The Late Henry Moss*—which premiered in San Francisco, starring Sean Penn and Nick Nolte—two estranged brothers confront the past as they piece together the drunken fishing expedition that preceded their father's death. In *Eyes for Consuela*, based on Octavio Paz's classic story "The Blue Bouquet," a vacationing American encounters a knife-toting Mexican bandit on a gruesome quest. And in *When the World Was Green*, cowritten with Joseph Chaikin, a journalist in search of her father interviews an old man who resolved a generations-old vendetta by murdering the wrong man. Together, these plays form a powerful trio from an enduring force in American theater.

The coherence of the [American] nation owes much to the potency of its communal 'stories', those myths given prominence in cultural consciousness." (Wade 3). According to Wade, the American culture is based on certain myths, on complex systems of attitudes, beliefs, and values that are characteristic for a specific society or group (cf. Collins Dictionary 1077). The history of the nation and the experience of westward expansion resulted in certain myths that are still present in the American imagination (cf. Companion Drama 286). U.S. playwright Sam Shepard is known for his interest in national myths, which he defines as mysteries that speak to the emotions and feelings of people, and in the prominence of such myths in modern society (cf. Graham 112). Thus, Shepard sees his plays as tools for cultural conversation by which he questions American myths (cf. Companion Drama 291). One of Shepards most popular plays is the family drama *Buried Child*, which unfolds the dark secret of a family living in a farm house in Midwestern Illinois (cf. BC ). This term paper will focus on two myths which are dominant in *Buried Child*: The myth of the generic middle-class family in the U.S. and the myth of the American Midwest. How does Sam Shepard reveal these myths in his family drama, and how does he demonstrate their hollowness? The first chapter will be based on the myth of the generic American family, on its definition, its appearance in the play, and on the question how

This myth is criticized. The second chapter will focus on the myth of the American Midwest in the same line."

Friends since 1964, correspondents since 1972, playwright Sam Shepard and director Joseph Chaikin established independent reputations - Chaikin with such Open Theatre landmarks as America Hurrah and The Serpent; Shepard with celebrated plays, including The Tooth of Crime - before becoming close collaborators in 1978. The texts of their remarkable creations - Tongues, Savage / Love and The War in Heaven - are included here, together with notes and - most important - the deeply personal, exploratory letters which detail their passionate pursuit of a new language for the stage.
