BBC - Science Fiction Season - About the Season

The world of science fiction is literally epic and incredibly complex. The genre can be divided into dozens of subgenres, each with their own unique themes and attributes. Any one science fiction story can cross the boundaries of several of these subgenres, or even break off into its own cult category.

A Guide to Science Fiction Subgenres

Wells wrote two kinds of science-fiction stories. In The Time Machine , War of the Worlds , The First Men on the Moon , and others he dealt with the future possibilities of technological wizardry. In When the Sleeper Awakes , The Food of the Gods , In the Days of the Comet , and The War in the Air , however, his aim was social criticism.
