Simplified Strategic Planning: The No-Nonsense Guide for ...

Be aware that Strategic Planning (aka Strategy Planning) is only the first step in Strategic Management. Strategic Management also must include 1) Execution of the plan, 2) Monitoring of developments and execution progress and 3) Feed-back into the plan. Without proper Execution, Monitoring and Feedback, planning will surely fall short of expectations.

Strategic Planning: Everything You Really Need to Know

A strategic plan is a document that establishes the direction of an organization. It can be a single page or fill up a binder, depending on the size and complexity of the business and work. Most managers can benefit from having a strategic plan.

7 Elements of a Strategic Plan - The Balance Careers

"Simplified Strategic Planning provides a framework for creating direction in a manner that moves away from guesswork and toward intelligent selection. The end result: a destination of choice, not chance."

Book - Center for Simplified Strategic Planning

In 1981, Chuck founded the Center for Simplified Strategic Planning to specialize in developing streamlined techniques for the strategic planning process in small and mid-sized companies. Robert W. Bradford started as a software consultant in 1981 and worked at the forefront of information systems for six years before joining the Center for Simplified Strategic Planning.
