*London, early May 1940- Britain is on the brink of war and Neville Chamberlain's government is about to fall. It is hard for us to imagine the Second World War without Winston Churchill taking over at the helm, but in SIX MINUTES IN MAY Nicholas Shakespeare shows how easily events could have gone in a different direction. The first land battle of the war was fought in the far north, in Norway. It went disastrously for the Allies and many blamed Churchill. Yet weeks later he would rise to the most powerful post in the country, overtaking Chamberlain and the favourite to succeed him, Lord Halifax. It took just six minutes for MPs to cast the votes that brought down Chamberlain. Shakespeare shows us both the dramatic action on the battlefield in Norway and the machinations and personal relationships in Westminster that led up to this crucial point. Uncovering fascinating new research and delving deep into the backgrounds of the key players, he has given us a new perspective on this critical moment in our history.*

London, early May 1940: Britain is on the brink of war and Neville Chamberlain's government is about to fall. It is hard for us to imagine the Sacond World War without Winston Churchill taking over at the helm, but in SIX MINUTES IN MAY Nicholas Shakespeare shows how easilly events could have gone in a different direction. The first land battle of the war was fought in the far north, in Norway. It went disastrously for the Allies and many blamed Churchill. Yet weeks later he would rise to the most powerful post in the country, overtaking Chamberlain and the favourite to succeed him, Lord Halifax. It took just six minutes for MPs to cast the votes that brought down Chamberlain. Shakespeare shows us both the dramatic action on the battlefield in Norway and the machinations and personal relationships in Westminster that led up to this crucial point. Uncovering fascinating new research and delving deep into the backgrounds of the key players, he has given us a new perspective on this critical moment in our history.

A fascinating and dramatic investigation into the events that led to Winston Churchill becoming Prime Minister against the odds. 'A gripping story of Churchill's unlikely rise to power' Observer London, May 1940. Britain is under threat of invasion and Neville Chamberlain's government is about to fall. It is hard for us to imagine the Second World War without Winston Churchill taking the helm, but in Six Minutes in May Nicholas Shakespeare shows how easily events could have gone in a different direction. It took just six minutes for MPs to cast the votes that brought down Chamberlain. Shakespeare moves from Britain's disastrous battle in Norway, for which many blamed Churchill, on to the dramatic developments in Westminster that led to Churchill becoming Prime Minister. Uncovering fascinating new research and delving into the key players' backgrounds, Shakespeare gives us a new perspective on this critical moment in our history. 'Totally captvating. It will stand as the best account of those extraordinary few days for very many years' Andrew Roberts 'Superbly written... Shakespeare has a novelist's flair for depicting the characters and motives of men' The Times 'Utterly wonderful... It reads like a thriller' Peter Frankopan SHORTLISTED FOR THE HWA NON-FICTION CROWN 2018 \*\*\* Selected as a 2017 Book of the Year in the Guardian, Daily Telegraph, Observer and The Economist \*\*\*

Dear President Bush, My name is Kimberly Anne Muse. I am writing this letter not for me but for my father, Kurt Frederick Muse. As you should know by now, he is a political prisoner in Panama. . . . Born in the United States and raised in Panama, Kurt Muse grew up with a deep love for his adopted country. But the crushing regime of General Manuel Noriega in the late 1980s threatened his, and a nation's, freedom. A nightmare of murder and unexplained disappearances compelled Kurt and a few trusted friends to begin a clandestine radio campaign, urging the people of Panama to rise up for their basic human rights. Six Minutes to Freedom is the remarkable tale of Kurt Muse's arrest and harrowing months of imprisonment; his eyewitness accounts of torture, and the plight of his family as they fled for their lives. It is also the heart-pounding account of the only American civilian ever rescued by the elite Delta Force. Timelier than ever, this is a thrilling and highly personal narrative about one man's courage and dedication to his beliefs. "A cliffhanger drama of survival against all odds." --Jeffery Deaver "A dramatic portrayal of idealism, courage, integrity, and fortitude." --John Douglas and Mark Olshaker "A must-read for anyone interested in how Delta Force operates." --John Weisman "Harrowing, entertaining, inspiring, and very, very readable." --Col. Lee A. Van Arsdale, U.S. Army Special Forces (Ret) "A thrilling chronicle that puts a human face on unspeakable actions." --Continental magazine A Featured Alternate of the Military Book Club

An unputdownable thriller for fans of Liane Moriarty and Caroline Overington. If you were gripped watching The Cry, you'll be hooked on Six Minutes.

He's a navy SEAL who's highly trained for any assignment. So why can't he resist the woman he's vowed to protect? Navy SEAL "T-Mac" Trace McGuire is assigned to protect army specialist Kinsley Anderson and Agar, her IED-detecting dog. When they're shot at and nearly blown up, T-Mac admires Kinsley's ability to hold her own. On the run from terrorists, T-Mac is trained to ensure their safety and survival in the African desert. He's prepared for every scenario but one: falling for the woman whose life is in his hands. Mission: Six

Tyler Mason knew his life had changed when his mysterious mentor yanked him from the chains of being a nobody and strapped him into the whirlwind that is his life today. Fame and fortune seem imminent for the underdog turned superstar as he wrestles his way to become legend on Team USA. As life seems to finally become simple, a shadowy figure reveals a plot to overtake the world-one that his trusted mentor deceived him into being a part of. Faced with love, betrayal, and the toughest wrestling match of his life Tyler must choose between what is right and what is easy while discovering what it truly means to be great.

*The Berlin Olympics, August 14, 1936. German rowers, dominant at the Games, line up against America's top eight-oared crew. Hundreds of millions of listeners worldwide wait by their radios. Leni Riefenstahl prepares her cameraman. Grantland Rice looks past the 75,000 spectators crowding the riverbank. Above it all, the Nazi leadership, flush with the propaganda triumph the Olympics have given their New Germany, await a crowning victory they can broadcast to the world. The Berlin Games matched cutting-edge communication technology with compelling sports narrative to draw the blueprint for all future sports broadcasting. A global audience--the largest cohort of humanity ever assembled--enjoyed the spectacle via radio. This still-novel medium offered a "liveness," a thrilling immediacy no other technology had ever matched. Michael J. Socolow's account moves from the era's technological innovations to the human drama of how the race changed the lives of nine young men. As he shows, the origins of global sports broadcasting can be found in this single, forgotten contest. In those origins we see the ways the presentation, consumption, and uses of sport changed forever.*

The Mumbai 7/11 train bombings in 2006 were one of the deadliest terror attacks the city had seen after the 1993 blast. The attacks orchestrated by the terror outfit Lashkar-e-Taiba and Pakistan's Inter-Services Intelligence (the ISI) were aimed to cripple the city by attacking its lifeline—the local train. A series of seven blasts in a span of only six minutes rocked the city at seven railway stations, killing 189 and injuring over 700. Six Minutes of Terror is the first investigative book that will present a blow by blow account of the events that led to the terrorist attack, profile the people involved in the blasts as well as describe how the plot was unearthed by the police. Superbly researched, with painstaking detail, the book tries to delve into the minds of the home-grown terrorists—who created unprecedented havoc and claimed innocent lives—ten years after the horrifying attacks.
