Specials: Ugliers, Book 3 (Audible Audio Edition): Scott ...

The Ugliers trilogy is amazing on so many levels that it blows my mind. If you haven't read the first two books yet, make sure you read Ugliers first, then Pretties, then Specials. Lastly, Westerfeld wrote Extras which is a sort of extension of the trilogy. But it won't make much sense if you don't read it all in order.
