Sperry Searchlight Manual — **backpacker.net.br**

The generator for this light should be a Sperry Searchlight Generator, but what we ended up with was a General Electric Searchlight Generator. This unit was just as complete as the light, but it too was in need of a few important parts, like the distributor, and the battery charging generator. It was later found that after sitting so long, the generator's Hercules JXD 6 cylinder engine had ...

The Searchlight is now finished and ready for duty It is the only light that works with a D.E.C. Today 03/28/03, after hours of work, I was able to get the light working with a D.E.C. (Distant Electronic Control) unit that can aim the light by remote control. As far as I know, this is the only light in the country, if not the world, that is restored and working with a D.E.C. control unit. The ...

Bob's Searchlight Restoration

A searchlight (or spotlight) is an apparatus that combines an extremely ... Second World War-era searchlights include models manufactured by General Electric and by the Sperry Company. These were mostly of 60 inch (152.4 cm) diameter with rhodium plated parabolic mirror, reflecting a carbon arc discharge. Peak output was 800,000,000 candela. It was powered by a 15 kW generator and had an ...
