Spider Sparrow (ages 7-10) is yet another winner from Dick King-Smith, author of *Babe: The Gallant Pig* and a slew of others. But here, instead of animals as central characters, the hero is an orphaned infant boy left among the baby lambs on an estate farm in England. The child is adopted by the shepherd and his wife, Tom and Kathie Sparrow, a poor childless couple who call their new son Spider because of the strange way he learns to crawl using his hands and legs.
