Aiden Steele had been a womanizer. Never married, he'd lived a bachelor life. A wild bachelor life. Sure, I wasn't a monk, but at least I used a fucking condom, every damned time, instead of getting a string of women pregnant all around the country. He'd fucked 'em and left 'em. Every single one.

Utah Blaine saves Joe Neal, owner of the 46 Connected Ranch, but when another murder attempt succeeds, Blaine finds himself alone to face a gang of greedy ranchers

Full of roller-coaster twists and turns, Neal Shusterman's page-turner is an Orpheus-like adventure into one boy's psyche. Sixteen-year-old Blake and his younger brother, Quinn, are exact opposites. Blake is the responsible member of the family. He constantly has to keep an eye on the fearless Quinn, whose thrill-seeking sometimes goes too far. But the stakes get higher when Blake has to chase Quinn into a bizarre phantom carnival that traps its customers forever. In order to escape, Blake must survive seven deadly rides by dawn, each of which represents a deep, personal fear—from a carousel of stampeding animals to a hall of mirrors that changes people into their deformed reflections. Blake ultimately has to face up to a horrible secret from his own past to save himself and his brother—that is, if the carnival doesn't claim their souls first!

NEW YORK TIMES BESTSELLER • What might have been? That tantalizing question propels a woman on a cross-country adventure to reunite with the men she loved and let go, in Danielle Steel's exhilarating new novel! It all starts with a fall from a ladder, in a firehouse in New York City. The firehouse has been converted into a unique Manhattan home and studio where renowned photographer Madison Allen works and lives after raising three children on her own. But the accident, which happens while Maddie is sorting through long-forgotten personal mementos and photos, results in more than a broken ankle. It changes her life. Spurred by old memories, the forced pause in her demanding schedule, and an argument with her daughter that leads to a rare crisis of confidence, Maddie embarks on a road trip. She hopes to answer questions about the men she loved and might have married—but didn't—in the years after she was left alone with three young children. Wearing a cast and driving a rented SUV, she sets off to reconnect with three very different men—one in Boston, one in Chicago, and another in Wyoming—to know once and for all if the decisions she made long ago were the right ones. Before moving forward into the future, she is compelled to confront the past. As the miles and days pass, and with each new encounter, Maddie's life comes into clearer focus and a new future takes shape. A deeply felt story about love, motherhood, family, and fate, *Lost and Found* is an irresistible new novel from America's most dynamic storyteller.
