Guides readers through each step in making perfect Parisian macarons every time.

Percy is incredibly accident-prone, and holds the dubious record of the most accidents. Percy has had a small rivalry with Harold, however, they are always willing to help each other when in trouble.

The city long-adored for its medieval beauty, old-timey brasseries, and corner cafés has even more to offer today. In the last few years, a flood of new ideas and creative locals has infused a once-static, traditional city with a new open-minded sensibility and energy. Journalist Lindsey Tramuta offers detailed insight into the rapidly evolving worlds of food, wine, pastry, coffee, beer, fashion, and design in the delightful city of Paris. Tramuta puts the spotlight on the new trends and people that are making France's capital a more whimsical, creative, vibrant, and curious place to explore than its classical reputation might suggest. With hundreds of striking photographs that capture this fresh, animated spirit, *The New Paris* shows us the storied City of Light as never before.

A Reese Witherspoon x Hello Sunshine Book Club YA Pick “A Cuban Girl’s Guide to Tea and Tomorrow is an absolute delight. Cozier than a hand-knit gray cardigan and richer than Abuela’s pastelito recipe, Namey takes you from Miami to Winchester, and leaves your heart belonging to both.” —Rachael Lippincott, #1 New York Times bestselling author of *Five Feet Apart* Love & Gelato meets Don’t Date Rosa Santos in this charming, heartfelt story following a Miami girl who unexpectedly finds love—and herself—in a small English town. For Lila Reyes, a summer in England was never part of the plan. The plan was 1) take over her abuela’s role as head baker at their panadería, 2) move in with her best friend after graduation, and 3) live happily ever after with her boyfriend. But then the Trifecta happened, and everything—including Lila herself—fell apart. Worried about Lila’s mental health, her parents make a new plan for her: Spend three months with family friends in Winchester, England, to relax and reset. But with the lack of sun, a grumpy inn cook, and a small town lacking Miami flavor (both in food and otherwise), what would be a dream trip for some feels more like a nightmare to Lila...until she meets Orion Maxwell. A teashop clerk with troubles of his own, Orion is determined to help Lila out of her funk, and appoints himself as her personal tour guide. From Winchester’s drama-filled music scene to the sweeping English countryside, it isn’t long before Lila is not only charmed by Orion, but England itself. Soon a new future is beginning to form in Lila’s mind—one that would mean leaving everything she ever planned behind.

The book that inspired the major new motion picture *Mandela: Long Walk to Freedom*. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. *LONG WALK TO FREEDOM* is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life—an epic of struggle, setback, renewed hope, and ultimate triumph.

From the author of *Fashionopolis: The Price of Fast Fashion and the Future of Clothes* - Once luxury was available only to the rarefied and aristocratic world of old money and royalty. It offered a history of tradition, superior quality, and a pampered buying experience. Today, however, luxury is simply a product packaged and sold by multibillion-dollar global corporations focused on growth, visibility, brand awareness, advertising, and, above all, profits. Award-winning journalist Dana Thomas digs deep into the dark side of the luxury industry to uncover all the secrets that Prada, Gucci, and Burberry don't want us to know. *Deluxe* is an uncompromising look behind the glossy façade that will enthrall anyone interested in fashion, finance, or culture.

Oscar-winning actress Charlotte Graham must turn amateur sleuth to save an island in this atmospheric cozy mystery set in remote Bar Harbor, Maine. After more than forty years in Hollywood and on Broadway, something strange has happened to Charlotte Graham. The run of her latest play has ended, and the legendary actress is forcing herself to do something unprecedented: She's taking a vacation. On a desolate island off the coast of Maine, she settles in for a few weeks of sailing with a pair of old friends, but it doesn't take long for Charlotte to become bored. She needn't worry though. Another acquaintance is coming to visit—an old friend called murder. Among the strange characters who populate the island, Charlotte meets an aging witch who claims to be able to read the future, a fanatical book collector, and an old fisherman, all at war over property, love, and money. But when homicide shakes this quiet vacation community to its foundation, Charlotte is caught between the superstitions of the locals and the greed of a man who would remake the island in his image—no matter the cost. In Hollywood, Charlotte Graham was legendary for her effortless glamour, and she brings the same elegant grace to her work as an amateur sleuth. Stefanie Matteson's series is perfect for anyone who loves movies, theater, or the perfect cozy mystery. *Murder at Teatime* is the 2nd book in the Charlotte Graham Mysteries, but you may enjoy reading the series in any order.

Eastport, Maine, has plenty of salty local character. It also has a sweet side, thanks to Jacobia “Jake” Tiptree, her best friend Ellie, and their waterfront bake shop, The Chocolate Moose. But when island life is disrupted by the occasional killer, Jake and Ellie put their chocolate treats aside to make sure justice is served. This summer, Eastport's favorite lovebirds, kindergarten teacher Sharon Sweetwater and Coast Guard Captain Andy Devine, are getting married. The gala reception is sure to be the fête of the season, especially with a wedding-cake-sized whoopie pie courtesy of The Chocolate Moose. For Jake and Ellie, the custom-ordered confection will finally reel in some much-needed profits. But the celebratory air, and sweet smell of success, are ruined when Sharon's bitter ex-boyfriend Toby is murdered with a poisoned milkshake. With Andy jailed as the prime suspect and the wedding cancelled, it's up to Jake and Ellie to catch a poisonous predator before someone else sips their last dessert. Includes a Recipe! “Graves' second case of chocolate murder offers fans of the genre a trifecta of coziness: plucky heroines, sweet treats, and just enough puzzlement to keep you on your toes.” —Kirkus Reviews “Lively characters, an intricate plot, and enticing descriptions of Down East Maine make this cozy a winner.” —Publishers Weekly
