This is a really important book in the history of American art history, and one that can be read with profit and relish by artists, art historians, or people just like me art fans. Robert Henri was a wonderful artist whose impact on American art is most felt by the work of his many illustrious students, including Edward Hopper, George Bellows, Rockwell Kent, Stuart Davis, as well as many female students who should be better known but faced discrimination in the early 1900s by sexist art critics.
