Ethan Falls was once a respected super-hero - until his drinking got the better of him. Now he finds he is unable to provide for his young family, and his own sense of failure starts to beckon him towards easy money... and a life of crime. As Ethan lapses deeper into his illegal life, his erstwhile teammates uncover his secret and Ethan finds that the price may be too steep to pay, even for a fallen hero. This collection chronicles the period of a hero's fall from grace, a dark story that will stir your emotions and give you a deeper insight into a hero's desperate attempt to keep going, even after the cape is gone.
