Walter Clark is destined to be the youngest police commissioner in the history of the NYPD. This is the story of how it came to be. It begins 7 years before he became commissioner, when he was a rookie cop who saved the life of his partner who was shot and a hostage. This was witnessed by several people, and he would get promoted to detective and offered the position of his choice.

The Golden Boy is based on the Bluesbreaker / King of Tone circuit, so the resulting tone is very open, uncompressed and transparent sounding. Think John Mayer overdriven tones. The Golden Boy sits in the mix perfectly and while it adds overdrive and grit, your guitar still sounds like your guitar!

The Golden Bowl is a 1904 novel by Henry James.Set in England, this complex, intense study of marriage and adultery completes what some critics have called the "major phase" of James's career. The Golden Bowl explores the tangle of interrelationships between a father and daughter and their respective spouses. The novel focuses deeply and almost exclusively on the consciousness of the central ...

She 's the only one who can see through his golden boy fa ç ade to the broken god within.... Chrysender Notos, Supreme God of the South Wind and Summer, is on a mission: save Eurus from his death sentence, and prove his troubled brother can be redeemed.

Presenting themselves to the world as an effortlessly excellent family, successful criminal lawyer Karen, her Parliament candidate husband and her intelligent athlete son, Max, find their world crumbling in the wake of a friend's betrayal and the secret about Max's intersexual identity.

This is the first autobiography to be published by The Haworth Press. This is the first autobiography to be published by Harrington Park Press. The place is New York City. The time is the decade before the plague of AIDS. Thousands of gay men were living a free-wheeling lifestyle of club hopping. " score " hunting, sex without fear, and upward mobility. To none did The Big Apple offer greater rewards than to those young men who had the envied " male model " look. Author James Melson belonged to this exclusive clique: he was tall, blond, muscular, and very " straight looking. " He was a model at 19, and by 25, was a highly successful Wall Street banker. His good looks offered him immediate entry into exclusive clubs and onto the sexual fast track with actors, male models, and other members of the " Clique. " The author brings you behind the scenes into the lifestyle of the handsome " Clique " --providing details of the vigorous and entertaining excitement of the times. He exposes--for one of the few times in print--the lesser-known attitudes of the " Clique " and their disdain for " ugly faggots, " their obsession with strictly the chic and glamorous, and the fast lane life of partying and sex. For 200 pages, the reader is brought back to the era that for many older readers is just a memory, and for younger readers a time they never knew--when to be a " Golden Boy " was to be a prince, and sex was only fun and games. The Golden Boy autobiography ends when the author is diagnosed with AIDS, abandoned by a lover and friends, and left to look back on his life with a growing perspective. The role of " good looks " and people with AIDS is rarely talked about, particularly by gay survivors whose lesser appeal was once perhaps a curse but then ultimately their saving grace. This is not just another AIDS autobiography but a document dealing indirectly with this fact of life. The autobiography is introduced by Larry Mass, MD, an internationally recognized social historian/physician who examines the " Culture of Narcissism " in that era. Arnie Kantrowitz then presents an astonishingly frank and perhaps shocking Epilogue which will have many readers wanting to re-read the book.

I was visiting a new small town to help my bff open a food truck and to step away for a little while from the city of my broken heart. I expected a lot of work and a lot of meaningless sex but what I didn' t expect was a Golden Boy named Jordan and forgetting about my ex. NOTHING BUT SEX Series is a series of M/M novellas to be consumed quick. Less backstory and more hot and steamy action. Each story is full of passionate love making with fast connections and explicit acts of beautiful M/M sexual expressions. The only trigger warning you need is to keep a tissue handy. Make sure to check out the other novellas in the series.

Unflinching portrayals of desire and alienation fill Bonnie Chau's award-winning story collection. Chau's short fiction explores the lives of young women navigating love, failure, heritage, and memory, and presents a fresh perspective of second-generation Chinese-Americans. Moving back and forth between California and New York, and ranging as far away as Paris, Chau's exquisitely written stories are bold, highly imaginative, and haunting, featuring characters who defiantly exert their individuality.

Without a Past Caroline Evans knew that she would never have memories to fill the blankness of her past. Something had happened to her, she'd been told, something so terrible her mind refused to remember. Without a Future Nine years ago, Julien Gerrard lost his wife and his sight in one explosive instant. Now into his carefully controlled world walked Caroline Evans, whose every touch, whisper and footstep brought back echoes of the memories he'd tried so hard to put behind him. Now that he'd finally reconciled himself to the loss of his wife...had she returned?

Nerdy Ryan Miyashi is about to start college at Cal State Berkeley at the tender age of sixteen. This should be an exciting and happy time for the bright young man, especially since his first boyfriend, Tanner Cruz, is a total hunk, even if he's a bit self-centered. Things were going great until Ryan accidentally lets it slip to Tanner's dad that Tanner's childhood seizures have started to reoccur, costing the promising young athlete his chance at a football scholarship. Almost faster than it started, Ryan's first romance is over. Or is it? At the same time, another handsome young man seems to be especially friendly...

For five incredible years from 1976 to 1980, Bjorn Borg ruled the men's singles at Wimbledon by carrying off consecutive titles. It was a phenomenal feat, all the more so because it was achieved on the lawns of the All England Club when the young Swede was essentially a clay-court specialist. No player in tennis's modern era had ever pulled it off and only one, Roger Federer, has subsequently matched it. Featuring vivid accounts of some of his most memorable matches, The Golden Boy of Centre Court tells the story of Borg's entire Wimbledon odyssey - from his first appearance in 1972 (when he won the Junior title) to his last in 1981. It's a journey that saw him evolve from a teeny-bopper heart-throb into a hero almost unanimously loved by the British tennis-watching public, and one of the greatest champions in the tournament's long history.

There is an outbreak of robberies with threatened violence on small shops in London. ' The Toff ' is curious as no one really understands the motive for these crimes which at first seem petty, albeit serious. However, he discovers there is much more at stake, and is caught up in a rising crescendo of violence, mayhem and attempted murder.
