Military Intelligence and Espionage History Books

A spy is a person employed to seek out top secret information from a source. Within the United States Intelligence Community, "asset" is more common usage. A case officer or Special Agent, who may have diplomatic status (i.e., official cover or non-official cover), supports and directs the human collector. Cutouts are couriers who do not know the agent or case officer but transfer messages.

Targets Of Espionage | MI5 - The Security Service

Intelligence and Espionage are controversial areas of government activity, generally shrouded in secrecy, and often the subject of considerable public fascination and sometimes misapprehension. Canada is often thought of as a country innocent of such activities, or of devoting little in the way of government resources to them.
