The Management Myth is a rare and often very humorous expose on the shenanigans behind the corporate empire that has catapulted us down the current road to economic turmoil. --John Perkins, best-selling author of Confessions of an Economic Hit Man and The Secret History of the American Empire

The Management Myth: Debunking Modern Business Philosophy ...
After having read the book, I ask myself which modern business philosophy has been debunked in the book. It is more or less an overall attack on (some) management theories and it is a very poor one. There is a lot of smattering, half knowledge and one-sided presentation about the facts.

The Management Myth: Why the Experts Keep Getting it Wrong ...
Matthew Stewart's The Management Myth - Debunking Modern Business Philosophy "debunks" much of the advice and strategies given by external management consultants. The book takes you through the early start of of the management business 100 years ago to the current multi-billion industry it is today.

The Management Myth: Debunking Modern Business Philosophy ...
Stewart's book is subtitled "Debunking Modern Business Philosophy". It is a criticism (and I mean criticism not critique) of the management consultancy business since its inception to the close of the first decade of the 21st century. Matthew Stewart is a former management consultant, so he should know what he's talking about.

The Management Myth: Debunking Modern Business Philosophy ...
The Management Myth Debunking the Modern Business Philosophy Don't go to business school.

The Management Myth - Matthew Stewart
The Management Myth offers an insightful romp through the entire history of thinking about management, a withering critique of pseudoscience in management theory, and a clear explanation of why the MBA usually amounts to so much BS—leading us through the wilderness of American business thought.
