Day 2: Connecting To Stillness. The traditional image of a meditator is someone sitting cross-legged with eyes closed and their hands resting on their knees, with thumbs and index fingers touching to form a circle as they chant the sound "om". That chanting of om is what's called the chanting of a mantra.

The 40 Days Of Transformation | Insight Timer

Become aware of your body's various sensations, whether that's pain, tension, warmth or relaxation. Combine body scanning with breathing exercises and imagine breathing heat or relaxation into and out of different parts of your body. Repeat a mantra. You can create your own mantra, whether it's religious or secular.

Mindfulness Teacher Training | School of Positive ...

Meditation helps you learn to slow things down by developing a sense of space between you and your emotions—and therefore their power to "hook" you into certain behaviors. As we discussed on Day 2 of this meditation lesson series, meditation builds your capacity to identify your thoughts and emotions as they appear.
