freshness and beauty, the tactile satisfaction of crisp linens in beautifully folded stacks. Good laundering preserves things you love and protects your pocketbook. It doesn't take much time or effort. What it takes is knowledge, and Laundry is the comprehensive, entertaining, and inspiring book on the art of laundering. Culled from the bestselling Home Comforts, with revised and updated information and a new introduction, Laundry is an indispensable guide to caring for all the cloth in one's home: from kitchen rags to bedding, hand-washables, and baby clothes to vintage linens. Mendelson offers detailed guidance on when to disregard labels, removing stains, making environmentally informed choices, sewing, and storing clothing and fabrics. A much-needed antidote to the standard-issue how-to manual, Laundry celebrates the satisfactions of ironing, folding, and caring for clothes and linens. Both pragmatic and eloquent, Mendelson provides

beginning and veteran homemakers with a seamless combination of reliable instruction, time-tested advice, and fascinating personal narrative. As a farm girl in Pennsylvania, Mendelson—who is a philosopher, lawyer, and professor, as well as a homemaker, wife, and mother—received a classic domestic education from her grandmothers, aunts, and mother. Laundry combines the best of the traditional lore they taught her with the latest in technical and scientific information. Writing with infectious love and respect for her subject, Mendelson is sure to instill in readers a newfound affection and appreciation for the art of laundering.

Child follows eight dramatic years in the life of a girl whose imagination is as soaring as the skyscrapers near her Brooklyn shelter. Dasani was named after the bottled water that signaled Brooklyn ' s gentrification and the shared aspirations of a divided city. In this sweeping narrative, Elliott weaves the story of Dasani ' s childhood with the history of her family, tracing the passage of their ancestors from slavery to the Great Migration north. As Dasani comes of age, the homeless crisis in New York City has exploded amid the deepening chasm between rich and poor. Dasani must guide her siblings through a city riddled by hunger, violence, drug addiction, homelessness, and the monitoring of child protection services. Out on the street, Dasani becomes a fierce fighter to protect the ones she loves. When she finally escapes city life to enroll in a boarding school, she faces an impossible question: What if leaving poverty means abandoning your family, and
