The Queen of Great Britain and Ireland for 63 years, the mother of nine children and grandmother to 42, Queen Victoria's life was one of magnificent proportions. Victoria's childhood was difficult and lonely but from the time she took the throne aged just eighteen she blossomed into a powerful woman, both frivolous and formidable. Inside you will read about... ? An Unsentimental Marriage ? Race to Produce an Heir ? Finally an Adult and Finally a Queen ? V&A ? Die Shattenseite ? The Hungry Forties and Albert's Great Exhibition ? The Widow at Windsor And much more! In her later years, Victoria struggled to find balance between her wish to live a very private life as a widow and her duty to live the very public life of a Queen and later Empress. The world Victoria was born into was a very different world to that which she left behind and her life story is an incredible journey from infant heir to matriarchal Queen and Empress.

She was the empress of a nation who had immersed herself in the harem for thirty years, but had died in the cold palace without a sound. When she opened her eyes again, she had become a modern lady's wife. "I am the official wife. As long as I am still alive, even if she were to enter the sect, she would only be a concubine. How could she dare to climb on my head and be a demon? Does she want to die? " Huo Shaojie, die. Jundai looked at her sister-in-law with an innocent expression. "Have children? Since she's a concubine, then why would I torture myself to have a child when the concubines' children have to be raised by my first wife? " Little sister-in-law, pawn. Ju Dai looked at Huo Shaotan and asked him seriously, "My husband, how many concubines do you plan to take in? "I'll prepare it so that you can ..." Huo Shaotan: "?" Someone who had a wife, what was a concubine?
