This is a powerful story woven around one theme—TAX PLANNING CAN CHANGE YOUR LIFE Tackling the fundamental question asked by all taxpayers – How can I save on taxes? — attorney and CPA Mark J. Kohler empowers you to dismiss standard CPA viewpoints like your tax payment is what it is and you just make too much money. Simplified through the mastery of storytelling, Kohler invites you to immerse yourself in the compelling tale of a typical family’s tax awakening. Through their journey, you’ll discover critical, but underutilized tax strategies to achieve huge tax savings, greater wealth, and, ultimately, a winning pursuit of the American Dream. “Mark brought tax planning to life in a story line we can all relate to personally!” Lori Mackey, award-winning author, CEO of Prosperity4Kids, Inc. “It is about time someone brought the benefits of tax planning to the masses. That is what Mark has achieved in this book.” Dermot Berkery, author of Raising Capital for the Serious Entrepreneur “If you are not happy with your current CPA relationship, and aren’t in love with your generic tax planning software, and wonder if there are better options out there. . .you need to read this book!” Tim Higgins, author of Paying For College Without Sacrificing Your Retirement “FINALLY, a tax book that I can not only understand but relate to and actually learn from. I never thought it was possible, however Mark Kohler did it - he made learning about taxes fun.” Starr Hall, www.StarrHall.com, international author, speaker “This book changed the way I saw my taxes and my financial future.” Woody Woodward, filmmaker, author, success Strategist Includes Tax Planning Resource Kit—Access templates, checklists, charts, and videos for additional support!

Tax Strategies for the Small Business Owner: Reduce Your Taxes and Fatten Your Profits will help the small business owner increase profits while feeling more comfortable dealing with taxes. It begins by looking at the often overlooked critical decision small business owners face when they start a business: the choice of business entity. The book then examines all the deductions that a business owner can take legally to reduce taxes. It also provides advice business owners need to make good tax-related decisions: Should I lease or buy? Should I hire an employee or outsource the task? How much will buying a building reduce my taxes and for how long? Many people freeze up when they are forced to prepare or even think about taxes. Some receive a notice from the IRS and put it aside: They’re too scared to open it! Yet taxes for the most part follow common sense rules. You just need to know what they are and how they affect your decisions. In this book, readers will learn about the different business entities, the different taxes you must deal with (primarily income taxes), documentation procedures, how to work with a tax professional, how to handle an audit, and, in general, how to use the U.S. Tax Code to your advantage. Among other things, readers learn to take full advantage of tax benefits and avoid potholes hidden in things like: Startup and ongoing expenses Cost of goods sold Depreciation Payroll Retirement plans In short, Tax Strategies for the Small Business Owner will not only help you relax when you deal with your taxes—it’ll show you how to use tax law to your financial benefit.

Are all Lawyers Liars? Of course not! But some lawyers are, and others who are not lawyers use that charge to sell the unsuspecting public asset protection structures or strategies that are outright lies. Until now, no other professional has been willing to call out the frauds and cheats in this powerful industry where self-professed experts and do-it-yourself hacks wreak havoc on the innocent just wanting to protect their assets. Mark Kohler exposes the liars and tells us the truth! In Lawyers are Liars, Mark explains the strategies that actually work to protect our assets and uses more than 270 footnotes to do it, quoting and referencing the true experts around the country. Undoubtedly, this book will become a desktop resource for not only the average middle income American wanting to protect his or her assets, but attorneys, estate planners and financial professionals guiding their clients through this complex area of the law.

Tax-Free Wealth is about tax planning concepts. It's about how to use your country's tax laws to your benefit. In this book, Tom Wheelwright will tell you how the tax laws work. And how they are designed to reduce your taxes, not to increase your taxes. Once you understand this basic principle, you no longer need to be afraid of the tax laws. They are there to help you and your business—not to hinder you. Once you understand the basic principles of tax reduction, you can begin, immediately, reducing your taxes. Eventually, you may even be able to legally eliminate your income taxes and drastically reduce your other taxes. Once you do that, you can live a life of Tax-Free Wealth.

"Implement the green strategies outlined in Dan Esty's and Andrew Winston's bestseller Green to Gold" Hard-nosed business advice for gaining competitive advantage through sustainability action in buildings and operations, information technology, product design, sourcing, manufacturing, logistics and transportation, marketing, accounting, and other key business functions Whether you are a climate change skeptic or an environmentalist, sustainability issues cannot be ignored in today's corporate world. With rising energy and natural resource costs, intensified regulations, investor pressures, and a growing demand for environmentally friendly products, sustainability is no longer an option—it's a business imperative. Unlike many green business books, the Playbook skips the environmental ideology and deals exclusively with tools and strategies that have been shown to cut costs, reduce risks, drive revenues, and build brand identity. Builds on Dan Esty and Andrew Winston's prizewinning Green to Gold, which has become a business classic and a staple of management training across the world. Shows in detail how each business function or department can achieve an eco-advantage over the competition Offers frameworks, checklists, and action plans applicable to any business-big or small, in manufacturing or services The Green to Gold Business Playbook gives you the tools to make green work-and work profitably-for your business.

When it comes to taxes, it's not just about how much money you make—but how much money you actually get to keep. Are you tired of working hard all year, just to lose the largest chunk of that money to the IRS? Believe it or not, the U.S. tax system is filled with loopholes designed specifically to benefit real estate investors just like you. In this comprehensive follow-up to The Book on Tax Strategies, bestselling authors and CPAs Amanda Han and Matthew MacFarland bring you more strategies to slash your taxes and turn your real estate investments into a tax-saving machine. Inside, you will learn: How to take advantage of the tax reform benefits in all of your real estate deals Tax-deferral and tax-free techniques to significantly increase your return on investments How to use your rental properties to legally wipe out your taxable income What you need to know to take advantage of the Opportunity Zone tax benefits Tax-free methods to take cash out of a 1031 Exchange How to supercharge your nest egg using self-directed investment strategies Common retirement investing tax traps and how to avoid them Taxes saved means more money for you, your family, and more money to invest. Learning to save on your taxes could be the easiest money you ever make!
