The Templar Revelation Summary The Templar Revelation: Secret Guardians Of The True Identity Of Christ by Clive Prince In the course of their investigations into Leonardo da Vinci and the Turin Shroud, Lynn Picknett and Clive Prince found clues in the work of the great Renaissance artist that pointed to the existence of a secret underground religion.

THE MOST CLOSELY GUARDED SECRET OF THE WESTERN WORLD IS ABOUT TO BE REVEALED -- AND YOU WILL NEVER SEE CHRISTIANITY IN THE SAME LIGHT AGAIN.

In a remarkable achievement of historical detective work that is destined to become a classic, authors Lynn Picknett and Clive Prince delve into the mysterious world of the Freemasons, the Cathars, the Knights Templar, and the occult to discover the truth behind an underground religion with roots in the first century that survives even today. Chronicling their fascinating quest for truth through time and space, the authors reveal an astonishing new view of the real motives and character of the founder of Christianity, as well as the actual historical -- and revelatory -- roles of John the Baptist and Mary Magdalene. Painstakingly researched and thoroughly documented, The Templar Revelation presents a secret history, preserved through the centuries but encoded in works of art and even in the great Gothic cathedrals of Europe, whose final chapter could shatter the foundation of the Christian Church.

In the course of their investigations into Leonardo da Vinci and the Turin Shroud, Lynn Picknett and Clive Prince found clues in the work of the great Renaissance artist that pointed to the existence of a secret underground religion. More clues were found in a twentieth-century London church. These were the beginnings of a quest through time and space that led the authors into the mysterious world of secret societies and such bodies as the Freemasons, the Knights Templar and the Cathars and finally back to the ideas and beliefs of the first century AD and a devastating new view of the real character and motives of the founder of Christianity and the roles of John the Baptist and Mary Magdalene. They reveal nothing less than a secret history, preserved through the centuries but encoded in works of art and even in the great Gothic cathedrals, whose revelation could shake the foundations of the Church.

In the course of their investigations into Leonardo da Vinci and the Turin Shroud, Lynn Picknett and Clive Prince found clues in the work of the great Renaissance artist that pointed to the existence of a secret underground religion. More clues were found in a twentieth-century London church. These were the beginnings of a quest through time and space that led the authors into the mysterious world of secret societies and such bodies as the Freemasons, the Knights Templar and the Cathars and finally back to the ideas and beliefs of the first century AD and a devastating new view of the real character and motives of the founder of Christianity and the roles of John the Baptist and Mary Magdalene. teachings, Jesus himself did not record any written accounts of his life or faith. He taught his followers orally, and our only sources about what Jesus actually said and believed, the Gospels, were written long after his lifetime. But the Gospel authors had their own agendas to promote and most certainly altered -- even distorted -- their leader's message. In *The Masks of Christ*, bestselling authors Lynn Picknett and Clive Prince peel away layers of mythology, canonical revisions, Church propaganda, and censorship in order to reveal who Christ really was -- and discover his true message to the followers of Christianity. Stripping away centuries of misinformation, Picknett and Prince dispel religious myths, unearth historical truths, and uncover the real stories behind some of the Bible's most famous tales -- including how Christ's long-hidden relationships with John the Baptist and Mary Magdalene shaped his beliefs and religious mission. Drawing on objective research, Picknett and Prince present the living, breathing Jesus and provide a context for Jesus' teachings in the time and society in which he lived -- and, most important, guidance on what the life and lessons of Jesus Christ mean to everyone today.

Explains the mysterious background of the bestseller *The Da Vinci Code*. Delves into the worlds of the Freemasons, the Cathars, the Knights Templar, and the occult to discover the truth behind an underground religion with roots in the first century that survives even today. Presents a new view of the real motives and character of the Christian Church, including: the actual historical -- and revelatory -- role of Mary Magdalene who was not a prostitute, but the wife of Jesus; the shocking idea that John the Baptist was a rival of Jesus who founded a substantial movement that continues to exist today; and the existence of a secret society called the Priory of Sion that continues to preserve these ancient secrets of the early Christian Church. Illustrations.

An essential notion in the #1 New York Times bestseller *The Da Vinci Code* is the existence of an age-old French society, the Priory of Sion, whose task it is to protect Christ's sacred bloodline. In *The Sion Revelation*, Picknett and Prince reveal the story of the Priory, taking readers on a highly significant, disturbing, and even alarming ride through history into an intriguing world where a great many uncomfortable facts will have to be faced, both religious and political. Drawing on a wealth of astonishing evidence, they answer numerous questions that shroud this society, including: • Does the Priory actually exist or is the group's entire history an elaborate hoax? • Was Leonardo da Vinci really one of the Priory's Grand Masters? • What is the truth behind Pierre Plantard, the enigmatic French aristocrat who claimed to be a Priory Grand Master -- and who some claim was a Nazi sympathizer? • Could the Priory be a front for other occult societies in Europe with religious or even political agendas? By carefully untangling centuries of obfuscation, rumor, and documented fact, *The Sion Revelation* unravels the great intricacies of this secret society and takes us on a historical journey that is as groundbreaking in its explanation as it is riveting in its telling.

In this fully revised and updated edition, the bestselling authors of *The Templar Revelation* present new and compelling evidence linking Leonardo da Vinci with the forgery of Christianity's most famous relic. For centuries the Turin Shroud was believed to be Christ's authentic burial cloth, miraculously imprinted with his image -- but in 1988 carbon dating revealed it is a medieval- or Renaissance-era forgery. However, authors Lynn Picknett and Clive Prince realized that the 1988 discovery prompted even more questions: The image seems to be a photograph -- so could the Turin Shroud actually be the world's first photograph? If the face of the man on the Shroud is not Jesus', whose is it? Who had the sheer audacity to create what would become an infamous relic of Christianity, faking even Christ's holy, redemptive blood? Whoever did this was not only a genius but also a heretic.... After more than a decade of research, Picknett and Prince have accumulated evidence that shows not only was the forger of the Turin Shroud none other than Leonardo da Vinci but also that he used his own face for that of Christ. The Turin Shroud is, among other things, a five-hundred-year-old photograph of Leonardo da Vinci. Could Christianity's greatest relic in fact be an attempt to undermine the religion itself?

File Type PDF The Templar Revelation Secret Guardians Of The True Identity Of Christ

Secret societies, famous scientists, ancient Egyptian mysticism, and a fascinating addition to the god-versus-science debate: the Catholic Church. By the bestselling authors of *The Templar Revelation* and *Mary Magdalene*, *The Forbidden Universe* reveals how the foundations of modern science were based around a desire to destroy the church. The great pioneering scientists of the Renaissance and the early Enlightenment (including Copernicus, Galileo, and Sir Isaac Newton) were fervent devotees of the philosophical/mystical system of Hermeticism. Many of the most important scientists of this age, including Galileo, belonged to a secret society called the Giordanisti, which had the agenda to overthrow the Church and establish a new age of Hermetic supremacy.

From the gnostic gospels to the Nativity, religious mythology immortalized Jesus -- his personality, his actions, his words -- but what if they didn't tell the truth? Although an entire religion is based on his teachings, Jesus himself did not record any written accounts of his life or faith. He taught his followers orally, and our only sources about what Jesus actually said and believed, the Gospels, were written long after his lifetime. But the Gospel authors had their own agendas to promote and most certainly altered -- even distorted -- their leader's message. In *The Masks of Christ*, bestselling authors Lynn Picknett and Clive Prince peel away layers of mythology, canonical revisions, Church propaganda, and censorship in order to reveal who Christ really was -- and discover his true message to the followers of Christianity. Stripping away centuries of misinformation, Picknett and Prince dispel religious myths, unearth historical truths, and uncover the real stories behind some of the Bible's most famous tales -- including how Christ's long-hidden relationships with John the Baptist and Mary Magdalene shaped his beliefs and religious mission. Drawing on objective research, Picknett and Prince present the living, breathing Jesus and provide a context for Jesus' teachings in the time and society in which he lived -- and, most important, guidance on what the life and lessons of Jesus Christ mean to everyone today.

Lynn Picknett and Clive Prince have long been fascinated by the conspiracies surrounding secret knowledge of Jesus, Mary Magdalene and John the Baptist, much of which centred on the activities of the Priory of Sion. In this work, the authors look closely at this controversial organization and the secrets it allegedly protects.
