The Theory of Hospitality and Catering by David Foskett

The term theory is used with diverse meanings, resulting in miscommunication and misunderstanding. This article examines how theory, as a word, is used in three leading journals in each of hospitality, tourism, and leisure studies fields over a 20-year period. Utilizing an iterative and comparative hierarchical coding, seven different forms of theory and trends in their usage by scholars over the 20 years are identified.

Theory in Hospitality, Tourism, and Leisure Studies ...

Abstract This paper comments on the absence of any commonly agreed theoretical framework about hospitality management. A tentative proposition is made for a model which identifies the inter-dependent and inter-related elements of hospitality management which might be used as a basis for management teaching and development as well as for research.
