Directed by Kathryn Bigelow. With Catherine McCormack, Sean Penn, Sarah Polley, Elizabeth Hurley. A newspaper photographer researches an 1873 double homicide and finds her own life paralleling that of a witness who survived the tragic ordeal.

The Weight of Water (2000) - IMDb

The Weight of Water is quite simply a beautifully crafted mini-masterpiece. Don't let the fact that it is all in verse put you off; that is exactly why it is so marvellous. With the lightest touch Sarah Crossan sketches out exactly what it feels like to be teenaged and different. But it is also a story of quiet courage.

The Weight of Water is a startlingly original piece of fiction; most simply a brilliant coming of age story, it also tackles the alienation experienced by many young immigrants. Moving, unsentimental and utterly page-turning, we meet and share the experiences of a remarkable girl who shows us how quiet courage prevails.

The Weight of Water: Sarah Crossan: Bloomsbury Children's ...

At room temperature (70 ° F / 21 ° C), the density of water is 0.99802 g/ml. This means that for a US gallon of water at room temperature, the weight would be around 8.33 pounds. Anita Shreve (author of the much-touted "The Pilots Wife") has done the near-impossible in "The Weight of Water." She has written two tragic tales, separated by more than 100 years, and coiled them seamlessly into one compelling narrative. This is one of the most emotional, provocative and exciting novels I've read in a long time.

The Weight of Water by Anita Shreve - Goodreads

In the United States a common unit of measurement for water is that it weighs 8.34 pounds per gallon. And the discussion that follows has to do with U.S. customary unit of measurements.

The Weight of Water

The Weight of Water is Sarah Crossan's debut novel and it was definitely a story that didn't disappoint! In this story, Crossan tells the story of...

The Weight of Water by Sarah Crossan | Waterstones

The Weight of Water follows two stories, one about a mysterious double murder in the 1870s, the other a modern day story line that seeks answers to the first. Both are interesting, but the older...

The Weight of Water (2001) - Rotten Tomatoes

Exquisitely written and powerfully moving, The Weight of Water forges two unforgettable stories into a single breathtaking narrative. Exploring trust and betrayal, the destructiveness of passion, the deep-woven bond of family, and the endless resonance of guilt, this is an overwhelming journey through the farthest extremes of emotion.

Anita Shreve - The Weight of Water

The Weight of Water is a 1997 bestselling novel by Anita Shreve. Half of the novel is historical fiction based on the Smuttynose Island murders, which took place in 1873. The book was adapted for a film of the same name, directed by Kathryn Bigelow and released in 2000.

The Weight of Water - Wikipedia

THE WEIGHT OF WATER is a coming-of-age novel in free verse. Author Sarah Crossan deals with heavy topics -- abandonment, bullying, adjustment to a life in a new country -- yet the narrative poem is lyrical, rich in sensory detail, and profoundly moving. About the missing father, Kasienka thinks, "Tata does not want to be found.
