The Western world, also known as the West, refers to various regions, nations and states, depending on the context, most often consisting of the majority of Europe, Australasia, and the Americas. The Western world is also known as the Occident (from the Latin word occidens, "sunset, West"), in contrast to the Orient (from the Latin word oriens, "rise, East"), or Eastern world.

In sociology, the East–West dichotomy is the perceived difference between the Eastern and Western worlds. Cultural rather than geographical in division, the boundaries of East and West are not fixed, but vary according to the criteria adopted by individuals using the term. Historically, Asia (excluding Siberia) was regarded as the East, and Europe was regarded as the West.

East–West dichotomy - Wikipedia
