They came to Japan: An Anthology of European Reports on ...

The present Japanese people were produced by an admixture of certain strains from the Asian continent and from the South Pacific, together with adaptations made in accordance with environmental changes. There is evidence to suggest that people moved eastward across Siberia and entered Japan via Sakhalin Island and Hokkaido. Nothing can yet be proved concerning their relationship with the people of the Pre-Ceramic period, but it cannot be asserted that they were entirely unrelated.

Japan - History | Britannica

We came to Japan because we wanted to know what it's like to walk down her streets, to feel the history of the samurai, or the sexiness of a geisha sashaying in geta. We came to have our photos...

Buddhism came to Japan during the Asuka period, 538-710, as did the Chinese writing system. At this time, society was divided into clans. The first strong central government developed during the Nara period (710-794). The aristocratic class practiced Buddhism and Chinese calligraphy, while agricultural villagers followed Shintoism.

Japan: Key Facts and History - ThoughtCo

Several people were proud to say that they are an unabashed otaku that came to Japan just for the anime. However, a lot of netizens answered that although they were interested in anime culture when they first came to Japan, they quickly found other aspects of Japanese culture they now find much more interesting like film, art or history.

What makes people want to move to Japan? - Japan Today

Yasuke (variously rendered as 安助 or 安, 安 or 安 in different sources) was a retainer of African origin who served under the Sengoku Period Japanese daimyō Oda Nobunaga. In 1579 Yasuke arrived in Japan in the service of Italian Jesuit missionary Alessandro Valignano, Visitor of Missions in the Indies, in India.Yasuke was present during the Honnō-ji Incident, the forced ...
