"This is like reading World War Z...hooks you from the beginning and you can't stop reading!" Armand Rosamilia, Author of the Dying Days zombie series An autistic boy + elements of The Stand + 28 Days Later = A haunting protagonist versus the Running Dead Jaimie Spencer is a strange autistic boy caught in a fight for survival as the Sutr-X virus spreads across the world. While governments lie to their citizens to quarantine victims and isolate cities, the inexorable mind virus brings civilization as we know it to an end. Sutr-X sweeps away all we knew, but the plague doesn't stop there. As the virus mutates to become Sutr-Z, Britain falls as the zombies rise. The war for the future has begun and the greater numbers are on the side of the infected. Terrorists created the plague and made ordinary civilians into rabid bio-weapons. The Ungrateful Living and the rabid cannibals all share one thing in common: they are just like you. Who will love This Plague of Days? Horror readers, zombie lovers, word nerds, paranoids, preppers and readers of all things apocalyptic.

"Just when you think you've got Robert Chazz Chute and his zombies figured out, he ups the ante...it'll kill you." Armand Rosamilia, Author of the Dying Days Series This is the end of This Plague of Days. Is it also the end of humanity? The Army of Light rises from the Red Queen's Darkness. The Army of the Word must destroy the evils within us. It's up to one autistic boy to save us from The King of the Tribe of Blood. Season One of This Plague of Days was The Siege of Peace. Season Two was the Journey into Dark Dreaming. Season Three is The War for Our Future. Earth's three worst plagues killed billions as new, deadly species were born. Jaimie Spencer, a strange boy from Kansas City, Missouri, is our unlikely champion. Follow his family through the Apocalypse and strap in for the most unusual disaster saga you'll ever read. Bravery is optional. Action is required. The Walking Dead + The Stand + Stranger in a Strange Land = This Plague of Days.

"Unique, smart, thought provoking, multi-layered and intensely terrifying." Alex Kimmell, author of The Key to Everything This Plague of Days began with bio-terrorists launching the war for the future. The Sutr-X virus killed billions in the world flu pandemic that ended the world as we knew it. But the virus wasn't done with us: it mutated into Sutr-Z and turned ordinary people into rabid bio-weapons. The virus is still evolving and those infected by the new strain are more terrifying than ever. The only thing that stands between these dark, destructive forces and the annihilation of the human race is one strange, autistic boy. Caught in a catalcysm he doesn't understand, Jaimie Spencer is merely a messenger. Soon, the boy must lead an army. Season One of This Plague of Days was the siege. Season Two is the journey. Jaimie and his family flee the Midwest for a hoped-for haven in Maine. The European conflict with the infected escalates and spreads. A new, cannibalistic species appears and New York is the terrorists' next target. No one is safe, not even in their dreams. A former journalist and columnist, Robert Chazz Chute is a multi-award-winning writer. He hosts the All That Chazz podcast and the Cool People Podcast. Finally, all three seasons of This Plague of Days are here in one monster volume. This book has been awarded an Honorable Mention for Writer's Digest's 2014 Self-Published e-Book Awards. The Walking Dead + The Stand + Stranger in a Strange Land = This Plague of Days The Apocalypse kills billions as new, deadly species are born. Jaimie Spencer, a strange boy from Kansas City, Missouri, fights for our future. Follow his family and an intrepid band of European refugees as we all fall into the Mindfield. To win the future, we must confront ourselves. "Just when you think you've got Robert Chazz Chute and his zombies figured out, he ups the ante...it'll kill you." - Armand Rosamilia, author of the Dying Days series Packed with surprises, this is a huge adventure filled with humor, twists and suspense. Chute takes us on strange journeys, from humans versus each other and humans versus infected cannibals to exploring the nature of existence amid a war like you've never seen. Prepare yourself. The human condition is changing. Season One of This Plague of Days is The Siege. Season Two is The Journey. Season Three is The War. "Each chapter heading is a line to a long, dark poem that provides hints to the plot. Revisit the Table of Contents at the end, and all will become clear.

The fourth in the "Dying Days" series..."Level up with Rosamilia's take on smarter, scarier zombies! They don't sleep and neither will you. Read this now!" ~ Robert Chazz Chute, author of This Plague of Days"Armand Rosamilia has masterly crafted a unique zombie book with many moving parts. Dying Days 4 should be on every zombie fanatics TBR list" ~ Mark Tufo, author of the Zombie Fallout series"With Dying Days 4, Armand Rosamilia continues to carve his own glorious path through the zombie apocalypse. His unique blend of sex and violence, well-rendered melancholy and tough as nails, pedal to the metal can do attitude makes for a story that gets it all just right. Rosamilia is a bright light for a dark country, and one of a handful of writers I know I can turn to when I want to have the crap scared out of me. He's that good" ~ Joe McKinney, Bram Stoker Award-winning author of Dead City and Plague of the Undead

Plague Journal is Michael O'Brien's third novel in the Children of the Last Days series. The central character is Nathaniel Delaney, the editor of a small-town newspaper, who is about to face the greatest crisis of his life. As the novel begins, ominous events are taking place throughout North America, but little of it surfaces before the public eye. Set in the not-too-distant future, the story describes a nation that is quietly shifting from a democratic form of government to a form of totalitarianism. Delaney is one of the few voices left in the media who is willing to speak the whole truth about what is happening, and as a result the full force of the government is brought against him. Thus, seeking to protect his children and to salvage what remains of his life, he makes a choice that will alter the future of each member of his family and many other people. As the story progresses he keeps a journal of observations, recording the day-by-day escalation of events, and analyzing the motives of his political opponents with sometimes scathing frankness. More importantly, he begins to keep a "mental record" that develops into a painful process of self-examination. As his world falls apart, he is compelled to see in greater depth the significance of his own assumptions and compromises, his successes and failures. Plague Journal chronicles the struggle of a thoroughly modern man put to the ultimate spiritual and psychological test, a man who in losing himself finds himself.

A Handful Of Survivors For thirty years, they have avoided the outbreak of walking death that has consumed America's heartland. They have secured a small compound near the ruins of Tulsa, Oklahoma. Isolated from the world. Immune to the horror. Blissfully unaware of what lies outside in the region known as the Dead Lands. Until now. . . A New Generation Of Explorers Led by a military vet who's seen better days, the inexperienced offspring of the original survivors form a small expedition to explore the wastelands around them. A biologist, an anthropologist, a photographer, a salvage expert--all are hoping to build a new future from the rubble, which they call the "Dead Lands." Until all hell breaks loose. . . A Land Of Death The infected are still out there. Stalking. Feeding. Spreading like a virus. Wild animals roam the countryside, hunting prey. Small pockets of humanity hide in the shadows: some scared, some mad, all dangerous. This is the New World. If the explorers want it, they'll have to take it. Dead or alive. . . Praise for Joe McKinney's novels "A merciless, fast-paced and genuinely scary read that will leave you absolutely breathless." --Bram Stoker Award-winning author Brian Keene on Dead City "A rising star on the horror scene." --Fearnnet.com

The Morningstar virus. Those infected suffer delerium, fever, violent behaviour ... and a hundred per cent mortality rate. But that's not the worst of it. The victims return from the dead to walk the earth. And when a massive military operation fails to contain the plague of the living dead, it escalates into a worldwide pandemic. On one side of the world, thousands of miles from home, a battle-hardened general surveys the remnants of his command: a young medic, a veteran photographer, a rash private, and dozens of refugees -- all of them his responsibility. Meanwhile in the United States, an army colonel discovers the darker side of Morningstar and collaborates with a well-known journalist to leak the information to the public...

Leon and his younger sister, Grace, have recently moved to London from New York and are struggling to settle into their new school when rumors of an unidentified plague in Africa begin to fill the news. Within a week, the virus hits London. The siblings witness people turning to liquid before their eyes, and they run for their lives. A month after touching Earth's atmosphere, the virus has wiped out most of the population. Desperate to stay alive, Leon and Grace are reluctantly taken in by a tight-knit group of survivors. But as they struggle to win their trust, the siblings realize that the virus isn't their only enemy, and survival is just the first step...
