my first lifetime, I was so, so happy. Sixteen-year-old Tegan is just like every other girl living in 2027—she's happiest when playing the guitar, she's falling in love for the first time, and she's joining her friends to protest the wrongs of the world: environmental collapse, social discrimination, and political injustice.

But altogether, When We Wake is a smart, intelligent book that portrays a very plausible futuristic society, toys around with interesting medical possibilities, and is narrated by an admirable young woman. In some places I wish Karen Healey had delved a bit deeper into her subject matter, but overall this was a very interesting book.

Karen Healey's *When We Wake* is a wonderful example of such a novel. Tegan Oglietti is a sixteen-year-old girl living in Australia in 2027. She loves her friends, playing the guitar, parkour, The Beatles. She's falling in love. Everything's good. Then, at a protest against global warming, a sniper's bullet meant for someone else accidentally hits her. When she wakes up, it's almost ...

While We Run by Karen Healey is the sequel to When We Wake, set in a futuristic version of our world. Abdi and Tegan have been on a two-month tour, enforced by SADU handlers, Diane and Lat. If they don't play their parts they are punished, or worse, forced to watch the other receive punishment. But things are set to change: decisions must be made and it will be up to them. I enjoyed When We ...

two main antagonists of Season 2. Karen only makes appearances in Seasons 1 through 3.

~~Karen Jackson (US) | Shameless Wiki | Fandom~~

When We Wake stands apart from much of the modern science fiction I have read recently, despite being a novel aimed at young adults. Its setting and themes arise from 21st century culture and issues rather than merely parroting the anxieties of its science fiction forbears. It addresses subjects of contemporary importance in a realistic and relatively nuanced way. It is true that the author ...
