"Where is Baby's Mommy?" is the story of the mother who wanted to take a nap and the toddler who persists in looking for her all over the house. I'm just kidding, but (spoiler alert) Mommy is in the bed. Our 1 year old loves this lift-the-flap book. The flaps on each page open in different directions, which is also nice (pull down from top or ...

My daughter loves Where is Baby's Mommy almost as much as she loves Where is Baby's Belly Button. The text is simple and the illustrations colorful and fun for her to look at. She loves looking behind the various items and when we get to the blanket, she kicks her legs and squeals because she knows she is about to find Mommy. I highly recommend Where is Baby's Mommy to all parents with young ...

Mom took us on a cruise and I was still babied. When we arrived on the cruise, we were rooming with Mom's friend from work and her man-child. This was the first time I met my current boyfriend. At the time he was married to my mom's friend from work, Erin- who was also her boss. Mom placed me in an oversized crib with him.
